

# Great American Campout 2020 Schedule

## Check in and Welcome - sign-in at 3:45p.m., event is 4:00p.m. - 4:30p.m

Meet our staff and the other participants and learn the technology ground rules for the evening (**please be sure to attend this event so our staff gets to meet you and we can ensure the rest of the evening goes smoothly**). As with all of the events - families may check in for this event up to 15 minutes before it starts; the event will begin promptly at 4:00pm.

## Campout Cooking Challenge – sign-in at 5:00p.m., event is 5:15p.m. - 5:45p.m.

Join in this competitive cooking event modeled after popular TV shows like Chopped or Top Chef. Challenge the members of your family to see who can create the best packet meal. You choose how you cook your packets, but everyone in your family must use the same basic ingredients. Not into competition? That's OK too, what's important is to have fun and make some yummy food together – ideally outside.

### All contestants must use:

- Aluminum foil to cook your meal in. Never made foil pack dinners before? Check out this informative [Outdoor Cooking](#) resource page to find out more.
- At least two kinds of vegetables – we don't care what kind, although things like squash and mushrooms will cook faster than potatoes or other hard vegetables. Be sure to slice your veggies thin or pre-cook the ones that take have long cooking times.
- Cheese – any kind will do. If you are dairy-free, you may skip this ingredient.
- Tortilla – Flour or corn - whatever you like. Be creative with this – how could you use this ingredient in a different way?
- Tortilla Chips – same here, any kind will do but challenge your family members to be creative with them. That's the fun! Crumble them and sprinkle them over the other ingredients, use them to make nachos, the sky's the limit.
- Any additional items – a protein, hot sauce, rice, salsa – whatever you like – add it in there.

## Sunset Sit Spot and Nightwalk – sign-in at 8:00p.m., event is 8:15p.m. – 9:15p.m.

This event will begin with a quiet moment with on-site staff at the Flag Pond’s beach in time for sunset. You can take in the beautiful view and soothing Bay sounds or enjoy the view where you are. We will take a few short minutes to breathe and be mindful of this moment in time. Our nightwalk will flow from the Sit Spot as our on-site staff heads from the beach, through the woods, and by Todd’s Pond. We will be sharing our view and information on some local critters who may be encountered at night – including frogs and fireflies. Again enjoy the view from Flag Ponds.

## Campfire entertainment – sign-in at 9:20p.m., event is 9:30p.m.-10:15p.m.

Last but not least, it’s the closest we could come to hosting a real campfire - sit back, make some [s’mores](#), and enjoy this family-friendly campfire show provided by our Campout Team created just for you. We will have interactive songs, stories, jokes, games – it should be quite the show.

## Sunday Morning Send Off – sign-in at 7:15a.m., event is 7:30a.m.

Time to rise and shine. We will gather via Zoom one last time to share experiences from our campout adventure.
