Southern Memorial Gardens

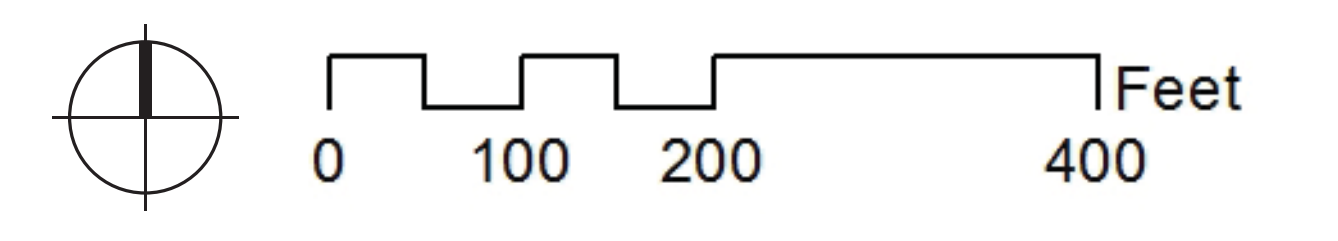

- Specialty Skills Areas:
- Bike Skills Course
  - Low Ropes Area
  - Exercise Circuit
  - Climbing Objects

The southwest quadrant of the park is a large, contiguous forested area that provides important habitat for Forest Interior Dwelling Species of birds (FIDS)

Disc Golf Course Start: The southwest quadrant of the site is appropriate for disc golf. A specific layout should be coordinated on site with the Parks and Recreation and Natural Resources Staff.

Final Master Plan  
**Ward Farm Recreation and Nature Park**
