

Dear Parents and Campers:

Welcome to the Outdoor Skills summer camp-August 6-10! I am looking forward to a fun-filled experience this summer. Please go over the attached checklist with your camper so that s/he will be fully prepared for camp. *We will be holding camp rain or shine – please be sure that your camper is dressed appropriately for the weather.*

Below is a drop off/pick up schedule for the week:

<u>Day</u>	<u>Drop off</u>	<u>Pick up</u>	<u>Location</u>
Monday (8/6)	9am	3pm	Flag Ponds Park (Education Building)
Tuesday (8/7)	9am	3pm	Biscoe Gray Heritage Farm (Main Driveway)
Wednesday (8/8)	9am	3pm	Kings Landing Park (Pavillion I, by barn)
Thursday (8/9)	9am	3pm	Ward Farm Park (Main parking area)
Friday (8/10)	9am	3pm	Battle Creek Cypress Swamp (Picnic Pavilion)

Help our camp staff to protect our campers' feet! Campers will be expected to wear shoes at all times while at camp, so appropriate shoes are a must. Although flip-flops and crocs are great for the pool – please do not send your camper to camp with these types of shoes. We will be hiking, running, and wading in the mud – neither flip-flops nor crocs stay on the feet during these activities. Your child will not be allowed to participate if they only have flip-flops or crocs. Tevas, Keens, or other sport-type sandals/water shoes are acceptable as long as they will not pull off in the mud. If you have comfortable “amphibious” shoes that can go from land to water and back – they make a great option vs. bringing a change of shoes – that’s what I’ll be wearing.

Every day send your camper in clothes that can get WET and MUDDY, and send a change of clothes that can get the same. We will be outside and on the trail for the majority of this camp. We will be avoiding prime tick habitat, but be sure that your camper does a thorough “tick check” when they get home each day.

We will be at a different park for each day of camp. If you need directions, you can find information on each park at: <http://calvertparks.org/visit.html> We will have a dry erase board or brightly colored flag out at each location, so keep an eye out for that.

Camp staff will be preparing for the day right up until 9:00 AM. If you get in early, please keep your child in the parking area with you until that time. Please sign your camper in/out each day with camp staff. **On our Flag Ponds day, please do not go around the gate – the park opens at 9am, so please wait if there’s a line.**

Please put bug spray and sunscreen on before coming to camp each morning, and pack more so it can be reapplied during the day. Again, please be sure to have your camper do a thorough tick check each evening after camp.

We will not tolerate bullying of any kind while at camp; campers found to be bullying other campers will be permanently expelled from all CCNRD summer camps.

Questions or concerns? Please contact me at Battle Creek Nature Center at 410-535-5327 or by email @ “tania.gale@calvertcountymd.gov” I look forward to our adventures this summer!

Sincerely,
Tania Gale
Naturalist

“Outdoor Skills” camp checklist *Wear these things*

Take the “Unplug Challenge” -- leave all electronics at home

Monday – Flag Ponds Park

(Activities: tracking at the beach)

- ___ bag lunch (non-perishable food, no glass)
- ___ a snack – granola bar or trail mix, not candy
